Flavour of the Season represents Gold Medal Fun Food, who had led the concession industry for over 81 years.

This concept has been tested for years and has proved successful in the USA and European marketplaces.

The fun food industry is like a magnet, helping Flavour of the Season stand out in malls and other public venues.

Product includes: nachos, popcorn, caramel corn, cotton candy, snow cones, hot dogs, roasted peanuts, funnel fingers, frosted nuts and almonds, pretzels, shaved ice, hot chocolate, frosty freeze, drink freezers with many tastes, lemonade, churros, fried onions, mini donuts, crepes, Belgian waffles, fudge puppies and more.

Product is adaptable and can be eliminated so as not to violate any exclusive use provisions.

The fun food cart can be installed almost anywhere.

Ontario requirements: Enclosed malls
