

Immediate Lease Requirement

Fresh chips and snacks prepared fresh on-site daily using healthy and high quality ingredients such as sunflower oil and local non-GMO potatoes

Unique and premium array of products, including a variety of chips (eg. sweet potato, taro, cassava, plantain, nacho), puff products (eg. onion rings, pork rinds, shrimp crackers), dips and beverages

Cooked and packaged in front of the customer to create a fun and theatrical experience

Offering take-out, eat-in (optional), catering, gift baskets, custom orders and seasonal promotions

Site Requirements:

- ◇ Targeting GTA sites with high traffic and visibility
- ◇ 500—1,000 square feet
- ◇ Mall, plaza and street front
- ◇ Ventilation required

Site submissions may be sent to:
