We are a chef driven gourmet food concept founded in 2021 inspired by a true love for eggs. Our menu is a balance of comfort and innovation, celebrating food that appeals to both novice and extreme foodie through classic comfort fare with a twist, all encompassing our key ingredient: EGGS. Our goal is to share our food with everyone. No longer just a breakfast staple, we make eggs appetizing all day, everyday.

More than just a meal...an experience; only fresh, cooked to order.
It's FAST but not Fast Food!
