**#1 Ranked Ramen Shop in Toronto!**

According to Yelp and Google reviews.

Ramen Isshin means One Heart One Ramen. Bringing true authentic Ramen to the city of Toronto. Our happiness is your happiness & we always want to make you smile.

We offer a variety of bowls that are very unique in flavours, textures and taste. We want you to have our "Isshin" experience and leave satisfied & always smiling!

Our signature Ramen is our Wok Fried Red Miso Ramen. Every bowl starts in the wok. A generous handful of veggies mixed with our signature blend of red & white miso, sake and other seasonings are fired up. Tonkotsu broth is added and brought to a piping hot temperature, this is then poured over a fresh bed of noodles. This process melds all the flavours perfectly together to give it that unique Isshin taste.
