- Proven, premium QSR burger brand with a profitable model and over 90 years of history with their affiliated brand, White Spot.

In 1997 BC's iconic brand White Spot Restaurants, Canada's longest serving restaurant chain that opened in 1928, launched their premium QSR burger concept called Triple O's. The concept's simplified menu focuses on high quality, fresh and local ingredients including 100% fresh Canadian beef burgers made with their secret Triple 'O' sauce, fresh cut Kennebec fries and hand scooped milkshakes made with premium vanilla bean ice cream.

Building profitable sales across multiple dayparts including breakfast, lunch, dinner and snack occasions, there are many ways our guests can enjoy the great taste of Triple O's. Since inception, Triple O's has experienced steady growth in both brand sales and number of units.
