# THE BEGINNING

With no Chef Training and pure understanding of what most people want, Sumit & Neero started with a very humble beginning of running the hippest brick & mortar Global Fusion of North American & Indian Street fusion in Downtown Toronto, expanding into a successful fleet of Food Trucks. They were never to shy away from experimenting and operating Pop-ups in festivals or events; they were able to create Toronto's trendiest dessert spot Holy Shakes with never-ending lineups. We are different not because we say, but the way we lead, create, present & continue to evolve in a fast-moving food & dessert scene.

To further expand growth of HolyShakes serving the best of the desserts and mashup eats Sumit and Neero have joined hands with Utsang Desai, who comes with a rich background of managing restaurants as a master franchisor for barBurrito and Odd Burger.

# MISSION & VISION

We are on a mission to create products that would keep the customer coming back for that wow factor and unmatched taste for desserts and mash-up eats.

The mission leads us to a vision of being the most enviable brand to the competition when it comes to creativity, taste & presentation. Our restaurants bring happiness and vibe not only through the look, feel and taste but because of the people we hire & our social media reach. Holyshakes believes & thrives to offer inviting & welcoming ambience for all demographics and highly take pride in the motto “Unity in Diversity”. A casual hip & happening spot for all to enjoy sweet indulgence.
