In a number of South Asian languages, the word 'Nani' means grandmother. In every batch of gelato that we produce, we infuse the love and passion of our mothers and grandmothers. An unprecedented way of cooking, our founder's inspiration for Nani's Gelato comes from how his mother and grandmother produced meals daily from fresh ingredients. We never compromise on the quality of our gelato and handcraft every batch in-house daily. Our flavors are Asian, Indian and Italian influenced and we ensure every batch we produce has a Nani's touch.

At Nani's, we offer a variety of artisanal frozen desserts and catering services. All of our products are made on site, from scratch, fresh daily.

Our flavours rotate bi-weekly - we change all of them every two weeks. For a current list of our flavours, please visit our Instagram or Facebook account. During a typical year, we'll rotate close to 150 flavours. All of our gelato products are made in-house, on-site, fresh daily. Our specialty lies in fusing the classic Italian gelato bases and flavours with Asian inspired ingredients. We typically carry 1-2 vegan flavours, 4 non-nut dairy based flavours and 2 nut based dairy flavours.
